

Instruction Sheet: Nessie Climber 120070

Store these instructions along with the enclosed maintenance checklist in a safe place. You may also access them on our website.

Take time to familiarize yourself with the use and maintenance of this equipment before using. Please file this Instruction Sheet in an accessible location. The Instruction Sheet must be read and familiar to anyone who is using Southpaw Enterprises Equipment.

IMPORTANT: Please check equipment immediately for any damage that may have resulted during shipping. If any damage has occurred, please contact Southpaw Enterprises, Inc. immediately.

MATERIALS LIST:

- 1 - Nessie Climber
- 1 - Instruction Sheet
- 1 - Maintenance Checklist

TO ATTACH NET:

- Turn the net so that the attachment straps are to the top and both sides.
- Put the six top straps around the top crossbeam and snap the buckles together.
- Put the four side straps around the side uprights and snap the buckles together.
- Pull the tag ends of each strap tight.

PROPER MATTING MUST BE USED.

MAINTENANCE CHECKLIST:

All of the following wear points should be checked on a monthly basis and recorded on the checklist enclosed.

- Check all seams for loose or missing stitches. If loose or missing stitches are found, discontinue use until repaired.
- Check net straps and connections.

STORAGE PROCEDURES:

- Store out of direct sunlight.
- Store away from all chemicals and household cleaners.
- Store where not accessible by clients without proper supervision.

CLEANING INSTRUCTIONS:

Check with your infectious disease department before using these procedures.

- Check for client allergies first.
- Soft Net is constructed of 100% synthetic materials.
- Machine washable - gentle cycle, cold water, **no bleach**.
- Tumble dry - **low heat**.

Safety Precautions - The safety of your clients is dependent on the appropriate choice of activity to match, yet challenge their physical abilities. Use appropriate spotting / safety techniques. In addition, the layout of your activity area, proper installation and maintenance of your equipment is critical. Southpaw equipment is not intended for recreational or outdoor use. Under no condition should this equipment be used without proper supervision.

This sheet is for example only. It is not meant to, in any way, replace local, county, state, or Federal standards. Be aware - it is your responsibility to find all pertinent safety information that pertains to your facility.
