Instruction Sheet: Rocking Arch 150005

Take time to familiarize yourself with the use and maintenance of this equipment before using. Please file this Instruction Sheet in an accessible location. The Instruction Sheet must be read and familiar to anyone who is using Southpaw Enterprises Equipment.

IMPORTANT: Please check equipment immediately for any damage that may have resulted during shipping. If any damage has occurred, please contact Southpaw Enterprises, Inc. immediately.

MATERIALS LIST:

1 - Arch Rocker (unassembled)	1 - Allen Key
2 - Side Boards	1 - Instruction Sheet
26 - Dowels	1 - Maintenance Checklist
52 - Screws	

WORKING LOAD: 300 lbs

ASSEMBLY:

- Select one of the rocker boards. Place one end of a dowel into the pocket on one end of the side board. From the opposite side, insert a screw into the hole and using the allen key provided, tighten the screw. Place another dowel into the next pocket and secure it with a screw. Continue until you have all of the dowels fastened to the rocker board.
- Take the other rocker board and align the ends of the dowels into the pockets and secure each one with a screw.

MAINTENANCE CHECKLIST:

All of the following wear points should be checked on a monthly basis and recorded on the maintenance checklist enclosed.

- Check wood for splinters. If splinters are found, sand smooth and refinish with lacquer.

STORAGE PROCEDURES:

- Store where not accessible by clients without proper supervision.

CLEANING INSTRUCTIONS:

Check with your infectious disease department before using these procedures.

- Check for client allergies first.
- Wipe with a damp cloth using soap and water or disinfectant. Dry before using.

Safety Precautions - The safety of your clients is dependent on the appropriate choice of activity to match, yet challenge their physical abilities. Use appropriate spotting / safety techniques. In addition, the layout of your activity area, proper installation and maintenance of your equipment is critical. Southpaw equipment is not intended for recreational or outdoor use. Under no condition should this equipment be used without proper supervision.

This sheet is for example only. It is not meant to, in any way, replace local, county, state, or Federal standards. Be aware - it is your responsibility to find all pertinent safety information that pertains to your facility.
