| 751052 | Super Soft Gel-Foam Cushion | 20" x 16" x 2.5" | Each |

Purpose

Skil-Care's Super Soft Gel-Foam Cushion is a combination of gel chambers and high density foam designed to relieve pressure. The two gel chambers prevent the gel from migrating, and offer superior pressure relief and cooling that reduces skin-damaging perspiration and heat build-up. Combined with the 4-way stretch cover the Super Soft Gel-Foam Cushion provides excellent pressure reduction.

Important Safety Reminder

The 4-Way Stretch cover has a safety strap that prevents the cushion from slipping off the seat. This strap must be secured to the wheelchair frame.

Easy Care

The vinyl cover may be wiped clean using a damp cloth and spray-type cleanser. A mild disinfectant may be used.
