Purpose

Skil-Care's Bariatric Foam Wedge is designed to reduce sitting pressure and control forward sliding.

Cover Straps

Wedge covers have Velcro[®] straps that secure the wedge to the wheelchair.

WARNINGS

- Do not expose wedge to open flames, burning cigarettes, and other sources of ignition. If ignited, wedge will burn rapidly and give off toxic fumes.
- Remove foam pad from cover before laundering cover. Do not wash foam. Laundering will cause the foam to lose its fire retardant characteristics.

Cover Care

Nylon cover may be laundered and dried at temperatures that do not exceed 180°F (82°C). Do not use bleach. Remove foam from cover before laundering. Laundering foam will cause the foam to lose its fire retardant characteristics.

Skil-Care's Bariatric Foam Wedge meets California 117B flammability standards.
