

CLS ReSUPPLY KIT - US ARMY

Contains the medical equipment needed to treat 2-4 casualties

ReSupply for the US Army Combat Life Saver Kit

The ARMY Combat Life Saver (CLS) ReSupply Kit by North American Rescue is a convenient kit containing the essential items to resupply your Combat Life Saver compact delivered in a durable and easy-to-open resealable plastic bag.

The compact design allows the NAR CLS Resupply Kit to be easily stored until it is needed, yet it is also resealable so items not required immediately can continue in storage without compromise.

The contents of this kit have been chosen to provide sufficient equipment to allow a trained Combat Life Saver to treat 2-4 casualties.

Features:

- Contains the medical equipment needed to treat 2-4 casualties
- Stored in a rugged, durable, easy-to-open clear resealable package
- Clear plastic bag allows contents to be easily visualized
- Small cube space allows for easy storage and quick access

Kit Contents:

- For an itemized listing of all kit contents, please see next page.

Specifications:

- Packaged: H 14 in. x W 14 in. x D 5 in.
- Weight: 4 lb 14 oz
