ATT-300

Specially designed for pretreatment therapy and massage, the ATT-300 Upholstered Roller Massage Table features three large rotating rollers traveling both clockwise and counterclockwise, up and down the spine, to knead and relax muscles in the neck, shoulders and lower back. For added patient comfort, the table features a thick padded lounge top, vibration, and adjustable massage pressure. A cervical and knee bolster are also included. Additional options include a 25" wide top.
