

BAILEY

Model 4526 Bariatric Walker Stool Caster Installation

The Model 4525W comes assembled except for the Swivel Casters. Attach a caster in each bottom corner as shown, using four #8 x 3/4 Phillips Pan Head Screws.

NOTE: the bottom Caster surface has screw starter "dents" and are marked to help locate the casters, approximately 3/4" off of each stool edge.

Tighten each Caster snugly with a Phillips screwdriver.
Do NOT over tighten.
