

BFMG30 Multi-Station Home Gym

BFMG30 Multi-Station Home Gym

The Best Fitness BFMG30 Multi-Station Home Gym is an easy-to-use multi-station gym designed specifically for use in homes and garages. This home gym is a fully adjustable single-stack gym featuring a no cable-change design plus heavy-duty construction with 1.5" x 3.25" oval tubing, welded frame components, and sealed bearings.

The highlight of the Best Fitness BFMG30 Multi-Station Home Gym is its five unique workout stations: multi-press, lat pulldown/high pulley, ab crunch/mid pulley, leg extension/leg curl, and seated row/low pulley. Additionally, the BFMG30 Home Gym features a 145 lb. stack with state-of-the-art nylon bushings for smooth and quiet operation.
