

 Meets National Standards for: ✓ ASTM F1487-17 ✓ CPSC Guidelines #325

Product Description

The Bisbee commercial playground is an imaginative structure with an interesting selection of components designed specifically for children between six and 23 months. This unit features a Transfer Station, meaning children of all abilities will be able to access the structure. Children will be thrilled to interact with the various panels and other play elements within this space. The Space Planet Power Panel can instruct little ones about the solar system and work as an instructive tool for both teachers and parents. Or they can orchestrate a new tune with their friends with either the Chime Panel or the Single Drum. This playground offers different entry points, including the amazing Pixel Climber. This climber has a unique, prominent ...

Product Specifications

Model Number: PKP295

Age Range: 6-23 months

Child Capacity: 15-20

Fall Height: 24"

Post Diameter: 3.5-inch

Product Type: Spark

Safety Zone: 15' 5" x 19' 5"
