

FST-300 Free Standing Track

Take Your Track Anywhere

Are you heading on vacation and need to bring along a lift? Or just want the flexibility to switch rooms at home? Handicare's FST-300 Freestanding track system is both lightweight and durable. For use with our reliable P-440 portable lift, the FST-300 is designed with both caregiver and user in mind. Ready out of the box for lifts up to 300 lb, it can be moved and assembled by one person in minutes for easy set-up in any space.
