

Chair Protection Pad

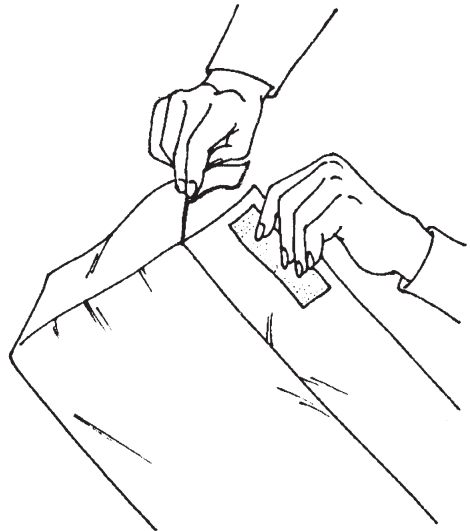

Reorder #	Description	Length	Unit
<input type="checkbox"/> 909260	Cushion Pad Protector	18" x 16"	12 PK
<input type="checkbox"/> 909270	Cushion Pad Protector	18" x 16"	Each

Purpose

Prevents urine damage to lounge chairs, bedside chairs, and geri-chairs. Three-layer design soaks up and holds urine and prevents it from seeping through to the chair. Side and rear barriers provide added protection.

Easy to Use

Secure back barrier to side barriers using the Velcro[®] tabs. (See illustration at right.) Place on chair. Note tag reading: ABSORBENT SIDE-PLACE FACE UP.

Laundering

Skil-Care Chair Protection Pads may be laundered and dried using standard white goods procedures. Do not wash or dry at temperatures above 180°F (82°C). The use of bleach is not recommended.
