Ease of use, multiple options and a sleek but durable design make the Essential THERA-P line of electric treatment tables the affordable choice of therapists everywhere. Seven top options allow therapists to choose the table that best meets their needs and that ensures patients' most comfortable positioning. The Essential THERA-P electric treatment table is constructed of precision-cut flat and tube steel for durability and style. It also has a whisper-quiet lift system with elevating foot pedal. Designed with simplicity in mind, the Essential THERA-P electric treatment table offers a standard white powder coat base.
