

NEW!

Bodypoint Essentials Padded Hip Belts

Bodypoint Essentials Hip Belts are now available in both two-point and four-point styles! Value-engineered to offer the high-quality materials and innovations you expect from Bodypoint, but at a more accessible price point.

CORDURA® fabric outer layer and proprietary edge binding eliminate wrinkles, preserve skin integrity and comfort, and increase durability and dirt-resistance

DuraLatch™ Buckle is strong, lightweight and discreet, with a release mechanism that accommodates all levels of hand function

Proprietary nylon webbing is tightly woven to resist abrasion and prevent twisting, yet flexible enough for easy tightening through the buckle

High-performance foam pads offer superior resiliency and pressure distribution, while soft, wrinkle-free fabric lining optimizes comfort

Folded end stop with teal accents is easy to locate and grasp
