Photo Consent Form

Due to the challenges faced from Covid-19, assessments are occasionally held with your therapist on a video link or they may not be present at all. Therefore, to help the assessment process, we sometimes ask to take a photo of your child to send to your therapist so they can help prescribe the right equipment.

Smirthwaite is committed to using the information provided as appropriately and sensitively as possible. All personal data, including images, will be destroyed as soon as the assessment and quote are complete.

If you are happy for your child to be photographed, please could you kindly complete the below form.

I/we hereby give Smirthwaite USA LLC permission to take photos of my child for assessment purposes only.
