

**FLIP  
PILLOW™**

10 IN ONE  
**PILLOW**

Usage & Care Instructions:

# PUT IN DRYER BEFORE USE

Place pillow in the dryer on low heat for 15 minutes to fluff. You may also add a clean tennis ball and fabric softener sheet for added effects.

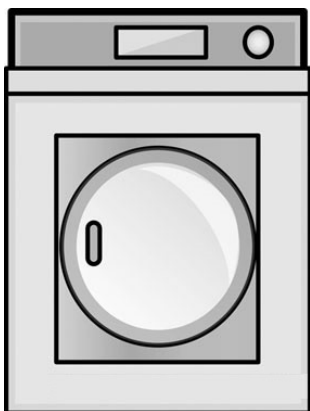

The Flip Pillow does not require special cleaning with normal use. For spot cleaning, simply wipe the surface using a small amount of mild soap on a damp cloth and allow to air dry.
