Patent Pending

THE MOST TRUSTED NAME IN CHILD CARE.™

THE MOST TRUSTED NAME IN CHILD CARE.™

ULTRADURABLE™

State-of-the-art construction has no exposed hem which eliminates fraying. Steel frame with integrated feet provides the ultimate in durability.

ULTRAREST™

Patent pending design allows cot to flex making naptime more comfortable. Ergonomic shape fits children's bodies better and provides more usable space.

ULTRASAFE™

Completely enclosed, no-gap design prevents small fingers and toys from getting lodged in openings.

ULTRACLEAN™

Unique foot design has no channels or wells to collect dirt and germs. Podz™ eliminates those tough-to-clean areas. Fabric can be cleaned again and again.

THE ULTIMATE COT™

ULTRASTACK™

Podz™ stack in less space than all other cots! 20 cots stack less than two feet high.

ULTRAORGANIZED™

MyPodz™ Numbering System makes it easy to assign cots and keep things organized.
