

AL500 / AL500HD Universal Power Chair Lifts

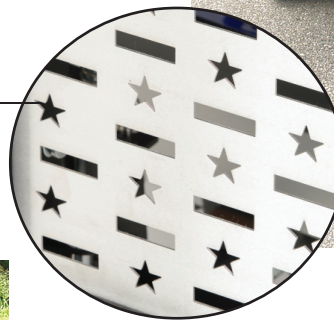

Fits Virtually All Power Chairs

Harmar's AL500 and AL500 Heavy Duty accommodates virtually any power chair. Available in traditional 350 lbs. or heavy-duty 400 lbs. models.

Features & Benefits

- Easy, one-switch operation, license plate light, key switch and courtesy light
- (4) self-tensioning Q'Straint retractors; no chair modifications required
- Manual crank backup and license plate mount included
- Swing-Away option available

Stars -N- Stripes platform, designed and engineered for maximum strength and durability is now standard on select aluminum skin Harmar Outside Platform Lifts.

Optional AL105 Swing-Away Shown

Swing-Away Options

This easy to operate option allows an unoccupied outside lift to be easily pivoted away for clear access to the trunk, lift gate or tailgate.

- **AL105 Swing Away**- 400 lbs capacity, 38 lbs install weight
- **AL105L Light Weight Swing-Away**-350 lbs capacity, 25 lbs install weight. Lighterweight offers greater handling/ steering and fuel consumption.
