STANDARD CRIB ACCESSORIES

When your child needs extra safety precautions, our Add-On Top can give you peace of mind that they have a safe environment to rest in.

The Add-On Top can be retrofitted on existing cribs as well.

Our Oxygen Tank Holder is designed to hang from any side rail in a place best suited for the child's needs, and can accommodate tank sizes D and E.

Our Standard Cribs can accommodate up to 4 IV Poles. They can be mounted on any corner post.

An Under Crib Shelf can provide much needed storage space for supplies or it can accommodate 2 oxygen tanks.

Shelves can be configured appropriately for your preference.

ADD-ON CRIB TOP

When your child needs extra safety precautions, our Add-On Top can give you peace of mind that they have a safe environment to rest in.

The Add-On Top can be retrofitted on existing cribs as well.

KEY BENEFITS:

- **Adds 16.5" in height to our Standard Cribs**
- **Includes 4 soft-sided clear vinyl curtains so the child has a full 360 degree view of the surroundings**
- **Side curtains raise to allow for caregiver access**
- **A vinyl top / ceiling cover can be purchased with the add-on top for maximum protection**
