## Stackable Stools

OR-3693

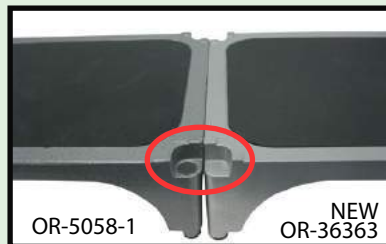

- ▶ New, improved manufacturing
- ▶ Stackable with its former version (OR-5058-1)

The **Imperial Surgical Stackable Footstool** has been improved from its previous model! (OR-5058-1) The **anti-slip surface** now provides better stability and the rubber corners have been removed as this was a source of fluid collection. See image below circled in red.
