

SWEDE-O® ELASTIC ANKLES

- Light support for mild injuries and aching ankles
- Seamless design for a comfortable fit; discreet under clothing
- Gentle compression helps reduce inflammation
- Soft, ventilated knit material
- Contours to the natural shape of the ankle
- Bilateral design fits right or left ankle

Available From:

ELASTIC ANKLE SLEEVE

The Swede-O® Elastic Ankle Sleeve provides light support for mild injuries and aching ankles; gentle compression helps reduce inflammation. The seamless, ventilated material contours to the natural shape of the ankle for comfort during extended use. Discreet under clothing; bilateral design fits right or left ankle.

ELASTIC ANKLE WRAP

This Swede-O® Elastic Ankle Wrap's adjustable strap provides a customized fit, allows for variations due to swelling, and offers easy application and adjustment. This support is ideal for mild injuries and aching ankles; gentle compression helps reduce inflammation. The ventilated material contours to the natural shape of the ankle for comfort during active use. Discreet under clothing; bilateral design fits right or left ankle.
