

VIVE LARGE LIFT CHAIR

LVA2017LGBRNV2

Ideal for seniors, the elderly and those who have difficulty rising from a seated position, the Vive Large Lift Chair smoothly raises and tilts forward to relieve pressure on the knees, hips and back and reclines in any position for rest and relaxation. Designed for durable use, the powerful lift motor is tested to support up to 350 pounds.

DURABLE

Constructed with sturdy material and a powerful lift motor.

COMFORTABLE

Elevates the legs and lowering the back for ultimate comfort and relaxation.

STRONG BUILD

Supports up to 350 pounds.

STAND WITH EASE

Great for the elderly and those who have knee, hip and back issues, the power lift chair moves upward while slightly tilting forward to make it easier to exit the recliner.

COMFORTABLY RECLINES

A power recline feature allows the chair to be reclined in any position to promote optimal rest and relaxation.

QUIET AND SMOOTH OPERATION

Equipped with a powerful motor, the large lift chair smoothly and quietly lifts and reclines the chair.

OVERSIZED STYLE

Comfortably padded, the large lift chair features a wide 28" seating area and is upholstered with an easy-care, dark brown fabric.

EASY TO SET UP

Includes a pre-assembled base and backrest for easy, tool-free setup.
