MELLETTTE SERIES

MARION FILING CABINET

Store important documents in style with a rolling filing cabinet. Crafted from engineered wood with laminate in a neutral finish, it includes one drawer for personal items or office supplies and a lower file drawer for letter-sized papers. It's small enough to be tucked away under your desk to create space, but large enough to accommodate essential files and supplies. Built on four casters, you can conveniently move it around your room until you find its perfect fit.

STANDARD FEATURES:
