

Motif Twist Double Electric Breast Pump

Item#
MAT2300T1

The Motif Twist is ideal for moms looking for portable convenience. The Twist works at home or on-the-go, with an AC adapter or battery power option. Users simply twist the knob to select different suction and massage settings. The blue LED light timer tracks pumping sessions. The Twist allows moms to customize their pumping experience to fit their comfort level.

Features & Benefits

- Super lightweight design. Weighs less than ½ a pound.
- Single or double pumping session.
- Closed system. Backflow prevention keeps the motor and tubing clean, preventing contamination.
- Dual power options. Use it stationary or on battery power (4 AA batteries).
- Quiet motor for discreet pumping.
- Adjustable suction pattern designed for maximum letdown.
