

Nite-Nite™ Neutral Wrist Support

ALL NIGHT COMFORT AND PROTECTION

- **Extended palm support** provides optimal positioning to help promote tendon and nerve healing.
- **Padding** below wrist and forearm for **added comfort**.
- **Adjustable, removable** metal stay helps immobilize the wrist.
- **Universal** left or right hand.
- **One size** fits most.

**Adjustable
metal stay**

*Breathable, nylon-lined
palm pillow stays cool for
comfort while sleeping.*

**Soft polyester lining extends
from the forearm to the palm**

*Superior ventilation
design helps release
heat and moisture.*
