

P-440 Ceiling Lift

For All the Capability of a Ceiling Lift System That You Can Take Anywhere

Lightweight and portable, the Handicare P-440 ceiling lift is easily removed from one track and installed to another, so you can quickly share a single lift unit in ceiling track systems in multiple rooms in your home or in freestanding track systems that can be used just about anywhere. The Handicare P-440 has a weight capacity of 440 lbs.

Easy to Carry only 10.5 lbs

The P-440 weighs only 10.5 lbs. Moving from room to room has never been easier with its unique ergonomic carry handle located on the top of the lift.

An integrated control panel is located on the front for easy accessibility. Here you can find buttons to raise and lower users, battery status indicators and the E-Down button for emergency lowering.

Easy to Use Built for Safety

Quiet and smooth, our portable P-440 ceiling lifts feature a pneumatic hand control that has no electrical components for additional safety. The large buttons make it easy to operate the lift and provide clear indicators for moving up and down.

Charge the P-440 using a standard plug and socket through the port on the front.
