

PERFECT FOR PATIENTS  
PERFECT FOR CAREGIVERS

CREATING INNOVATION AND DIFFERENCE

# Rhythm-Multi

The Rhythm Multi mattress system provides progressive alternating pressure therapy with true low air loss to aid patients who have existing stage 1, 2, 3, or 4 ulcers. True low air loss provides microclimate and temperature management. Caregiver friendly, the Rhythm Multi is a comprehensive therapeutic surface solution for any clinical care setting.

Various top covers are designed and available to satisfy your individual requirement in terms of therapy, prevention and patient comfort.

#### Master Control Unit

- Dimension: (L)17.7"x (W)6.8"x (H)10.8"
- Weight: 13.2 lbs
- Rated Voltage: 110-120 volts
- Max Current: 5A
- Rated Frequency: 60Hz
- Cycle Time: 3~95 mins
- 3 in 1 alternation
- Min/Max Pressure: 10~61 mmHg +/- 3~4 mmHg
- Protection Type: Class I, Type BF
- Power outage Visual and Audio Alarm
- Static Function
- Auto Firm for fast mattress inflation
- Key Pad Lock-out Function
- Air flow rate: up to 1200 liters per minute

#### Mattress Replacement

- Model No: Rhythm - Multi
- Dimension: (L)80"x (W)36"x (H)10"
- Weight: 28.6 lbs
- Weight Capacity: 600 lbs
- Cell Material: Blue Nylon with PU Coating
- Cell Number: 18 cells
- Cover Material: Blue Nylon with PU coating finish
- Base Material: Black Polyester with PVC Coating
- CPR Quick Release System
- Cable Management System on bottom cover

**HAPPY HEEL™** Heel Relief  
Patent Pending

## Rhythm-Multi

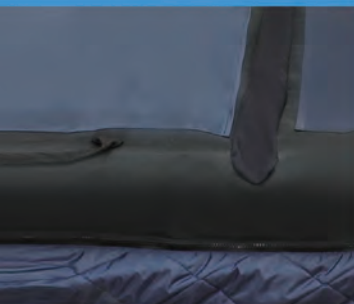

provides you, the caregiver, with peace of mind and your patient, with world class care & comfort

Perfect for patients and caregivers

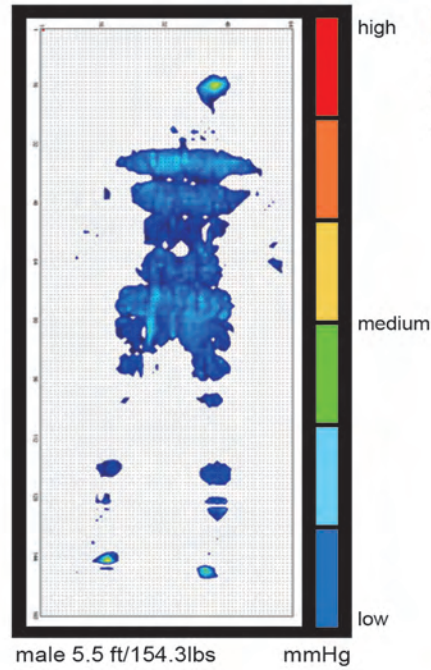

**HAPPYHEEL™** provides extra comfort settings for the heels

Ergonomic retraction design to auto profiling with bed frame

Nylon woven fabric with PU coating finish

### PRESSURE MAPPING

Rhythm · Multi provides constant low pressure by redistributing the patient's pressure over a greater area than a standard mattress.

• The Rhythm · Multi replacement mattress can accommodate patient weights up to 600 lbs

• PU cell design provides easy cleaning and minimizing the proliferation of bacteria

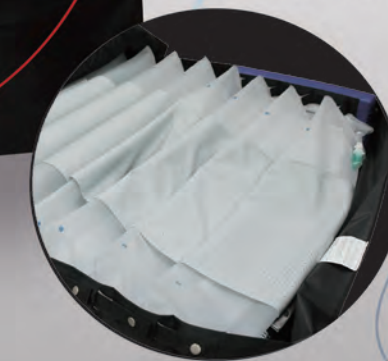

• 30 seconds of pulsation simulates a message to assist in maximizing a patient's comfort

• Modular structure design to ensures ease of use and cleaning

• Low air loss provides extra comfort for moisture and temperature control

• **HAPPYHEEL™** provides 3 selectable softness settings in the last 5 air cells to provide protection for patient's fragile heels

Rhythm · Multi is your partner in prevention and treatment of pressure ulcers

CPR quick release system deflates the system within 20 seconds

Cable management system keeps electrical cables off floor for caregiver and patient safety

The control unit's spring loaded hooks snap to fit your bed's footboard
