

APPROACH SERIESTM

RUBBER THRESHOLD

APPROACH SERIES™ RUBBER THRESHOLD

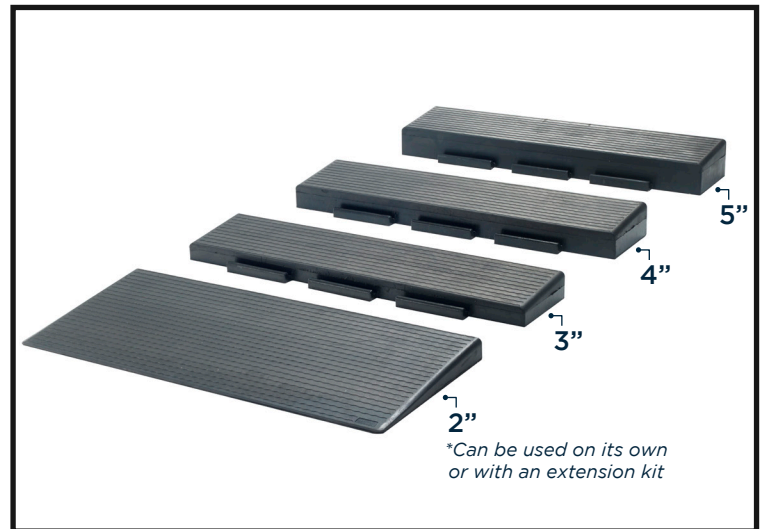

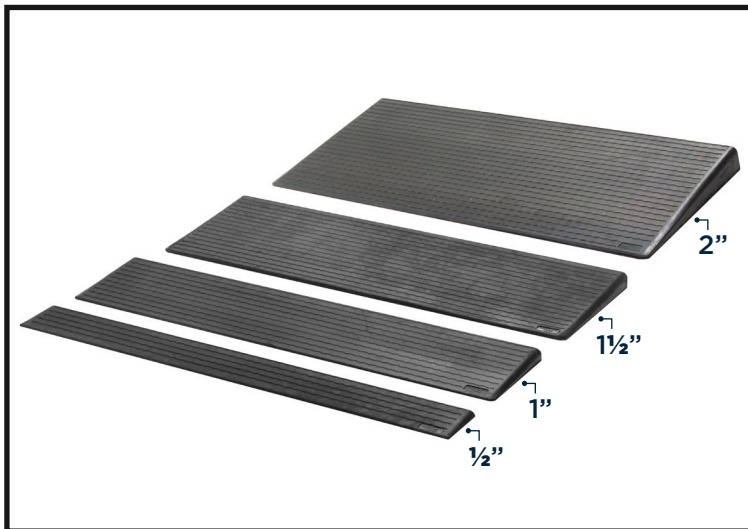

The Approach Series allows you to have a customized rubber threshold ramp wherever you need it, inside or outside your home. These 42" wide rubber ramps are available in ½", 1", 1½" and 2" heights. For additional heights, extension kits allow you to customize your rubber ramp up to 5" tall.

It's a whole new approach to threshold ramps.

These rubber ramps are nearly indestructible for years of supportive access to prevent falls.
