

INTRODUCING OUR MOST ADVANCED BIDET SEAT YET, THE SWASH 1400 LUXURY BIDET SEAT!

Brondell's new flagship model has been upgraded inside and out with a newly refined design, highest quality components, and cutting-edge technology. We've kept the best-in-class standard that you've come to expect from Brondell and added new features like an illuminating nightlight, two programmable user settings, one-touch auto mode, and more.

We've also redesigned the look and feel of the Swash 1400 specifically for North American toilets, with a hidden pocket for water and power connections, so that it fits more toilets than any other bidet seat on the market. With a new thinner remote control, this seat delivers a whole new user experience. The Swash 1400 is our best-looking and most-advanced bidet seat ever!

Refined Design with Hidden Pocket

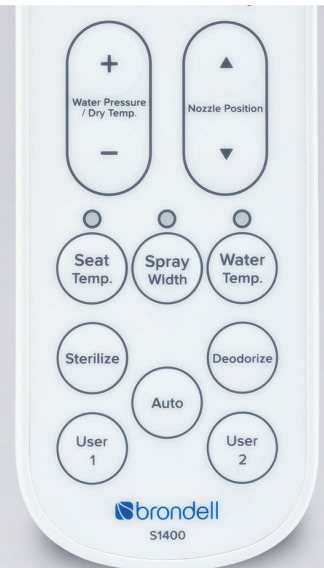

Replaceable Deodorizer

Fully Customizable Wash Settings

Two Programmable User Settings allow the personalization of water temperature, pressure, spray width, and nozzle oscillation to their preferences.

A One-Touch Auto Mode runs through a full wash and dry cycle with the touch of a button.

Illuminating Nightlight

Avoid the shock of glaring lights during a midnight bathroom trip. The new cool blue hue illuminates your toilet bowl.
