

Saddle "BARIATRIC" 7 series

*see chart for dimensions

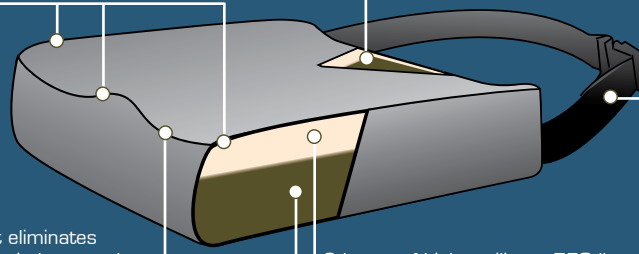

Contoured leg adductors and abductor increase seating surface area and promote proper leg alignment.

Coccyx relief area unloads bony prominences.

Kwik Strap loops around vertical canes and securely attaches with easy side release buckle.

Waterfall front eliminates pressure points in leg trough.

2 layers of high resiliency 750 lb. weight capacity foam provide increased comfort and decrease the probability of pressure sores.

COVER

SOLACE FABRIC — designed for pressure relief and comfort, Solace is fluid-proof, anti-microbial and soft to the touch. The multi-dimensional stretch design alleviates pressure on bony prominences and provides optimal skin protection.
