SPA LIFT ULTRA 51

APPLICATIONS:

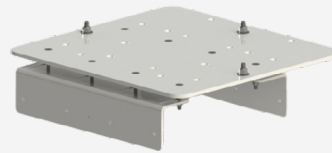

This lift works on raised pools and spas, and can be anchored to pool decks made of concrete and wood. Choose the appropriate anchor for your needs. Anchors sold separately.

To see if the Spa Lift Elite works on your pool, visit our website and download the application guide, or contact our friendly sales team.

Standard Anchor
F-SAAK8

Wood Deck Anchor
F-107UEWDA

For access to CADs, Revit drawings and more visit our Partner Login page on our website and become an Aqua Creek partner.

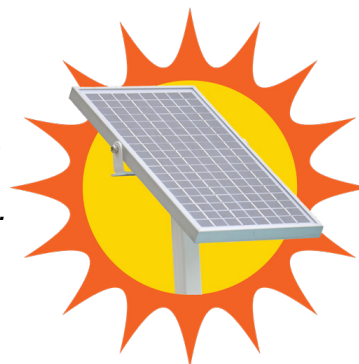

OPTIONS & ACCESSORIES:

- Anchors for concrete or wood deck applications
- Chest strap for additional upper body support
- Cycle attachment to convert your lift into an aquatic bike
- Cover to protect your investment from the elements*
- Headrest for comfortable head support
- Solar charging station to conserve energy
- Upper chest strap for added torso stability

** Color and material options available*

Match your branding or decor with the custom color of your choice. Additional charges may apply.

Solar chargers can help extend the life of your battery and reduce the need to remove it for charging.

Protect your investment from the elements with a premium cover.
