Bar, Collars and Weights sold separately

SOFB250 Flat Bench

The full-commercial Pro Clubline SOFB250 Flat Bench is designed to meet any facility's requirements. The SOFB250 lets users target their anterior deltoids, triceps, pecs, and traps in a safe, comfortable and effective platform. The 2"x3" heavy-duty 11-gauge steel mainframe construction on the SOFB250 features solid lift-offs and durable double-stitched upholstery that will stand up to the heaviest weights. The integrated spotter platform ensures maximum safety during heavy lifts. The composite lining on the bar catches protects both bars and benches. Premium commercial components ensure dependability and reliability even in heavy use, high-traffic gyms, and clubs.
