

NYOrtho

SUPER Quilted Heel Protector

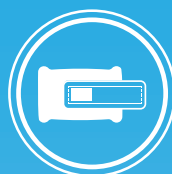

Provides superlative comfort and added protection for sensitive skin, reducing pressure, and providing relief to pressure sores.

RECOMMENDED USE: Patients at risk for skin breakdown and friction burns.

SUPER FLUFFY

Soft, hypoallergenic, micro-fiber filling for added comfort.

PADDED HOOK & LOOP

Comfortable closure allows for easy application and removal.

WATER-RESISTANT

Breathable water-resistant peach-skin fabric helps promote air circulation and wick moisture away.

MACHINE WASHABLE

View care label for laundering instructions.
