# DeRoyal's Surgical Positioning Products

Prevention is the best medicine. That's why DeRoyal offers a complete line of Surgical Positioners to help prevent tissue distress and protect your patients before, during and after surgery. DeRoyal's Surgical Positioners provide safety and security for patients and peace of mind for you. Made of quality foam and other patient-friendly materials, this selection is as comprehensive as it is durable. Give your patients the best form of prevention with products from DeRoyal's Surgical Positioners line.

Using DeRoyal's Surgical Positioners:

- Decreases the risk of pressure sores and tissue breakdown
- Reduces possibility of prolonged hospitalization
- Maximizes comfort using strategic cushioning on pressure points
- Optimizes position and accessibility for surgical procedure
- Reduces chance of injury during movement
- All DeRoyal foam is latex free
