SIMULATES PROFESSIONAL TAPING

The Swede-O® Multi-Sport™ ankle brace has external figure eight straps which allow you to easily control and customize the amount of support, as well as simulate professional taping.

The top strap covers the laces and locks the figure eight straps in position. The full elastic back is comfortable against the Achilles tendon and helps reduce irritation and the potential for blistering. The breathable tongue helps keep the foot cool and comfortable. The Multi-Sport is backed by an industry leading 1 year warranty and constructed from a durable ballistic nylon which is comfortable thin, and lightweight.

INDICATIONS FOR USE

Use the Multi-Sport after injury or to protect your ankle from future injury. This ankle brace helps prevent and relieve aches, pains, sprains, and other ankle conditions.
