- Bilateral design fits both right and left ankle
- Industry leading 12 month warranty, satisfaction guarantee

Available From:

### MAXIMUM PROTECTION & SUPPORT

The Swede-O® Strap Lok® ankle brace has external figure eight straps which allow you to easily control and customize the amount of support as well as simulate professional taping.

The exclusive dual eyelet lacing system is offset to create a “pulley effect”, keeping the brace tighter longer. The top strap covers the laces and locks the figure eight straps in position. The full elastic back is comfortable against the Achilles tendon and helps reduce irritation and the potential for blistering.

The breathable tongue helps keep the foot cool and comfortable. The Strap Lok is backed by an industry leading 1 year warranty and constructed from a durable ballistic nylon which is comfortable thin, and lightweight.

### INDICATIONS FOR USE

Use the Strap Lok after injury or to protect your ankle from future injury. This ankle brace helps prevent and relieve aches, pains, sprains, and other ankle conditions.
