NEW FOR SIZE 2:
Seat depth adjustable without tools

Swiftly

The lightweight rehab strollers for both small & big kids

Simple use, light & swift: Here comes **Swiftly** ...

“ A stable, comfortable rehab stroller with a fixed seat; it can withstand the many stresses of day-to-day life and is quickly ready for use. Now available in two sizes for growing children. ”

Comfortable sitting for the child: the washable seat cover is soft and breathable – preventing perspiration and providing a thoroughly cozy feeling

Back angle can be adjusted for positioning and relaxed seating

Fold lock (only for size 2) keeps everything securely folded together.

NEW FOR SIZE 2:
Seat depth adjustable without tools

 size 2

 size 1

With the spacious Swiftly size 2

- big kids that weigh up to 50 kg / 110.2 lb
- and are up to 150 cm / 59.1" tall can be cared for with a rehab stroller

Transit tie-down-kit for safe transport in a vehicle (available for both sizes, standard for size 2)

Small folding size (even size 2) – Especially quick and easy to fold with a flick of the wrist.

Foldable and height-adjustable footrest – Children can get in and out of the stroller independently.

Seat depth adjustable without tools – even while the child is sitting in the rehab stroller
NOW available also for SIZE 2

Seat, back and footrest provide safe and firm support – a convenient place to sit for the child

H-belt with padded harness as a standard feature

Seat minimizer for smaller children (accessory) – grows with your child for a very long time
