

Body Armor[®] Toe Guard

A cost-effective solution.

The DARCO Body Armor[®] Toe Guard provides extra protection for the toe region during the recovery process. It works particularly well when k-wires are present or anytime when accidental contact could cause pain or be detrimental to the healing process.

DARCO

Body Armor® Toe Guard Features and Benefits:

- › **Two models are available.** The Round Toe Guard fits all round toe post operative shoes. The Square Toe Guard fits Darco square toe shoes and walkers.
- › **Hard ABS** - Acrylonitrile Butadiene Styrene plastic withstands blows and strikes to the toe region in everyday situations.
- › **Moldable side wings** can be bent or molded to conform to any foot size.
- › **Adhesive backing** stays strong and secure in shoes for patient comfort and security.

Body Armor® Toe Guard Indications:

- › Post Operative Healing
- › Trauma Care
- › Presence of K-Wires
- › Diabetic Foot/Neuropathy
