

TwoSunTM

LIGHT THERAPY & TASK LAMP

Fact Sheet

Easily alternate between light therapy mode and task lamp mode. When you're not using the TwoSun as an SAD light, it's ideal for illuminating your space and reducing eyestrain when enjoying hobbies or carrying out everyday tasks. This lightweight and portable 2-in-1 lamp has been ergonomically designed to be easy to carry with one hand and folds up compactly when not in use. The Easy Twist Shade™ allows the light to be positioned and directed exactly where you need it while the brightness of the daylight LEDs can be adjusted using the tactile 3-step dimmer button. The high quality LEDs and CRI of over 95 provide optimum light therapy and ensures accurate colour matching. Ideal for light therapy, DIY, everyday tasks, crafts, desk work and reading.
