All-in-One

This "All in One" Anti-Wandering Door Bar System functions with just a door alert, contact switch, and resident wristband. Simply mount the door bar by any exit or doorway in your home or facility, plug it in, attach contact switch and place wristband on resident. When a resident wearing a wristband opens the door bar or attempts to go through the doorway, the door bar will alert audibly and visually.

Simple Installation

1. Mount Door Bar
2. Activate Wristband Transmitter
3. Test
